

## CURRICULUM VITAE

Name: John W. Colberg

### Address & Telephone Number:

Office: 800 Howard Avenue, YPB-3  
New Haven, Connecticut 06519  
203-785-2815  
Fax # 203-785-4043

### Education:

1981 North Dakota State University  
Fargo, ND  
B.S. in Microbiology

1985 Washington University School of Medicine  
St. Louis, MO  
M.D.

### Graduate Hospital Experience:

1985-1986 Intern, Department of Surgery, Yale-New Haven Hospital  
1986-1987 Resident, Department of Surgery, Yale-New Haven Hospital  
1987-1990 Resident, Division of Urology, Department of Surgery,  
Yale-New Haven Hospital

### Medical Licensure and Board Certification:

Connecticut, Present License No. 03667  
Diplomate, American Board of Urology, 1992  
Recertification, 2001

### Academic Appointments:

1990-1998 Instructor, Division of Urology, Department of Surgery,  
Washington University School of Medicine, St. Louis, MO.  
1995-1998 Chief, Division of Urology, Department of Surgery,  
John Cochran Veterans Administration Hospital, St. Louis, MO.  
1998-2000 Assistant Professor of Surgery, Director of Urologic  
Oncology, Section of Urology, Yale University  
School of Medicine, New Haven, CT.  
2000-present Associate Professor of Surgery, Director of Urologic Oncology  
Section of Urology, Yale University School of Medicine,  
New Haven, CT

### Hospital Appointments:

1990-1998 Division of Urology, Department of Surgery,  
Barnes West County Hospital, St. Louis, MO.  
1990-1998 Division of Urology, Department of Surgery,  
John Cochran Veterans Administration Hospital,  
St. Louis, MO.  
1990-1998 Division of Urology, Department of Surgery,  
St. Louis Children's Hospital, St. Louis, MO.  
1990-1998 Division of Urology, Department of Surgery, Washington  
University School of Medicine/Barnes-Jewish Hospital,  
St. Louis, MO.

1998-present	Section of Urology, Department of Surgery, West Haven Veterans Affairs Hospital, West Haven, CT.
1998-present	Section of Urology, Department of Surgery, Yale-New Haven Hospital, New Haven, CT.
Societies:	American College of Surgeons, Fellow, 1993 American Urological Association, Member, 1992 American Urological Association, Member, South Central Section, 1992-1998 American Urological Association, Member, New England Section, 1998 American Association of Clinical Urologists, Member, 1998 The Society of University Urologists, Member, 1998 The Society of Urologic Oncology, Member, 1999 American Society of Clinical Oncologist, Reciprocal Member, 1999
National Committees:	American College of Surgeons Oncology Group, GU working group, member, 1999
Hospital Committees:	Yale-New Haven Hospital Credentials Committee 1998-2000 Yale-New Haven Medical Staff IPA Board Member 1999-2000

## Bibliography:

### I Journal Articles

1. Colberg JW, Schiff SF, and Lytton B: Continent reservoirs. *Connecticut Medicine*, 53(10): 573-578, 1990.
2. Colberg JW, Smith DS, and Catalona WJ: Prevalence and pathologic extent of prostate cancer in men with PSA levels of 2.9 to 4.0 ng/ml. *Journal of Urology*, 149:507-509, 1993.
3. Figenshau RS, Clayman RV, Kerbl K, McDougall EM, and Colberg JW: Laparoscopic nephroureterectomy in the child: Initial case report. *Journal of Urology*, 151:740-741, 1994.
4. Schlesinger AE, Shackelford GO, and Colberg JW: Ureteropelvic junction obstruction in infants mimicking ureterovesical junction obstruction on sonography. *Pediatric Radiology*, 25:476-477, 1995.
5. Ornstein DK, Dierks SM, and Colberg JW: Metachronous presentation of bilateral leydig cell tumors. *Journal of Urology*, 155:1703, 1996.
6. Figenshau RS, Clayman RV, Colberg JW, Coplen DE, Soble JJ, and Manley CB: Pediatric endopyelotomy. The Washington University experience. *Journal of Urology*, 156:2025-2030, 1996.
7. Colberg JW, Andriole GL Jr, and Catalona WJ: Long-term follow-up of men undergoing modified inguinal lymphadenectomy for carcinoma of the penis. *British Journal of Urology*, 79:54-57, 1997.
8. Colberg JW and Dierks SM: Urinary retention secondary to Hirschsprung's disease. *British Journal of Urology*, 79:806, 1997.
9. Monk TG, Goodnough LT, Brecher ME, Pulley DD, Colberg JW, Andriole GL Jr, Catalona WJ, and Martin-Bredahl KJ: Acute normovolemic hemodilution can replace preoperative autologous blood donation as a standard of care for autologous blood procurement in radical prostatectomy. *Anesth Analg*, 85:953-958, 1997.
10. Colberg JW, Cai X and Humphrey PA: Unilateral adrenal heterotopia with renal-adrenal fusion. *Journal of Urology* 160: 116, 1998.
11. Ornstein DK, Colberg JW, Johnson ET, Chan D, Virgo KS, and Johnson FE: Evaluation and management of men failing radical prostatectomy 1997: Results of an international survey. *Urology* 52:1047-1054, 1998.
12. Oh J, Colberg JW, Ornstein DK, Johnson ET, Chan D, Virgo KS, and Johnson FR: Current follow-up strategies after radical prostatectomy (RP): A 1997 survey of AUA urologists. *Journal of Urology* 161:520-523, 1999.
13. Monk TG, Goodnough LT, Brecher ME, Colberg JW, Andriole GL Jr., and Catalona WJ: A prospective randomized trial of three blood conservation strategies for radical prostatectomy. *Anesthesiology*, 91: 24-33, 1999.
14. Tsai DY, Virgo KS, Colberg JW, Ornstein DK, Johnson ET, Chan D, and Johnson FE: The age of the urologist affects the postoperative care of prostate cancer patients. *Cancer*, 86: 1314-1321, 1999.
15. Johnson FE, Virgo KS, Ornstein DK, Johnson ET, Chan D, and Colberg JW: How tumor stage affects American urologists' surveillance strategies after prostate cancer surgery. *Int Journal of Oncology* 16: 1221-1225, 2000.
16. Powell TM, Thompson JP, Virgo KS, Johnson ET, Chan D, Colberg JW, Ornstein DK, and Johnson FE: Geographic variation in patient surveillance after radical prostatectomy. *Annals of Surg Onc*, 7(5): 339-345, 2000.
17. Colberg JW: Inguinal lymph node dissection for penile carcinoma: modified versus radical lymphadenectomy. *Infections in Urology* 13(5): 115-120, 2000.
18. Smith SD, Wheeler MA, Plescia J, Colberg JW, Weiss RM, and Altieri DC: Urine detection of survivin and diagnosis of bladder cancer. *JAMA* 285(3): 324-328, 2001.
19. Virgo KS, Doraiswamy A, Colberg JW, Ornstein DK, and Johnson FE: Costs of Posttreatment surveillance for patients with prostate cancer. *Managed Care and Cancer* 3(4): 22-32, 2001.
20. Peschel RE and Colberg JW: The modern era: Surgery, brachytherapy, and external beam radiation therapy for early prostate cancer. *The Lancet Oncology* 4: 233-241, 2003.

21. Hausladen DA, Wheeler MA, Altieri DC, Colberg JW, and Weiss RM: Effect of intravesical treatment of transitional cell carcinoma with *Bacillus Calmette-Guerin* and mitomycin C on urinary survivin levels and outcome. *Journal of Urology*, 170: 230-34, 2003.

## II. Books and Chapters

1. Colberg JW, Andriole GL Jr, and Catalona WJ: Urologic considerations in resection of colorectal cancer. In: *Colorectal Cancer*, Wanebo JH, (ed.), Mosby Year Book: St. Louis, 1993, 335-457.
2. Andriole GL Jr and Colberg JW: Surgical management of penile cancer. In: *Comprehensive Textbook of Genitourinary Oncology*, Vogelzang JF, (ed.), Williams & Wilkins: Baltimore, 1996, 1103-1109.
3. Colberg JW, Andriole GL Jr, and Catalona WJ: Penectomy and inguinal lymphadenectomy for carcinoma of the penis. In: *Textbook of Operative Urology*, Marshall FF, (ed.), WB Saunders Company: Philadelphia, 1996, 634-646.
4. Andriole GL Jr, Miller, DC, Colberg JW, and Catalona WJ: Surgical management of penile cancer. In: *Comprehensive Textbook of Genitourinary Oncology*, Vogelzang JF, (Ed), Williams and Wilkins: Baltimore, 1999, 1057-1065.
5. Colberg JW and Weiss RM: Testis, sertoli cell tumor and rhabdomyosarcoma, pediatric. In: *5 Minute Urology Consult*, Gomella LG, (Ed), Lippincott Williams and Wilkins: Philadelphia, 2000, 492-493, 528-529.
6. Colberg JW: Locally advanced and late prostate cancer. In: *Comprehensive Urology*, Weiss RM, (Ed), Mosby International Limited: London, 2001, 409-424.
7. Colberg JW and Weiss RM: Urologic abnormalities of the genitourinary tract. In: *Rudolph's Pediatrics 21<sup>st</sup> edition*, McGraw Hill: New York, 2003, 1735-1743.

## IV. Abstracts

1. Colberg JW and Catalona WJ: Incidence of prostate cancer in men with PSA levels of 2.9-4.0 ng/ml. Annual Meeting of the American Urological Association, Toronto, Canada, *Journal of Urology*, 45:382A, 1991.
2. Bullock AD, Colberg JW, Basler JW, and Keetch DW: Transurethraly-assisted nephroureterectomy. *Journal of Urology*, 149(4):446A, 1993.
3. Colberg JW, Keetch DW, and Basler JW: Percutaneous method for bladder stone removal from augmented bladders. *Journal of Urology*, 149(4):315A, 1993.
4. Dierks SM and Colberg JW: An analysis of men with cancer of the prostate less than 50 years old. Annual Meeting of the American Urological Association, San Antonio, TX, *Journal of Urology*, 149:495A, 1993.
5. Colberg JW, Bullock AD, Smith DS, and Catalona WJ: Prostate cancer screening results in African and white men. Annual Meeting of the American Urological Association, San Antonio, TX, *Journal of Urology*, 149:301A, 1993.
6. Figenschau RS, Clayman RV, Colberg JW, Soble JJ, and Manley CB: Pediatric endopyelotomy: The Washington University experience. Annual Meeting of the American Urological Association, Las Vegas, NV, *Journal of Urology*, 153:280A, 1995.
7. Andriole GL Jr., Shepherd DL, Monk TG, Goodnough LT, Colberg JW, and Catalona WJ: Preoperative recombinant erythropoietin enhances the efficacy of acute normovolemic hemodilution. Annual Meeting of the American Urological Association, Las Vegas, NV, *Journal of Urology*, 153:384A, 1995.
8. Monk TG, Goodnough LT, Pulley DD, Folger WF, Martin KJ, Colberg JW, and Andriole GL Jr.: Safety of acute normovolemic hemodilution in elderly patients. Annual Meeting of the American Society of Anesthesiologists, New Orleans, LA, *Anesthesiology*, 85(3A): A33, 1996.
9. Pulley DD, Goodnough LT, Folger WH, Colberg JW, Martin KJ, and Monk TG: Efficacy and cost of acute normovolemic hemodilution in combination with preoperative autologous blood donation. American Society of Anesthesiologists, New Orleans, LA, *Anesthesiology*, 85(3A):A1014, 1996.

10. Catalona WJ, Colberg JW, Smith DS, Ornstein DK, and Shayka JJ: Measurement of percent-free PSA improves specifically for lower PSA cutoffs in prostate cancer screening. Annual Meeting of the American Urological Association, Orlando, FL, *Journal of Urology*, 155:422A, 1996.
11. Colberg JW, Ornstein DK, Virgo KS, Johnson ET, Chan D, and Johnson FE: Current follow-up strategies after radical prostatectomy. American Association for Cancer Education, Portland, OR, *Journal of Cancer Education*, 13(3): 146, 1998.
12. Ornstein DK, Colberg JW, Virgo KS, Johnson ET, Chan D, and Johnson FE: Evaluation and management of men failing radical prostatectomy. American Association for Cancer Education, Portland, OR, *Journal of Cancer Education*, 13(3): 147, 1998.
13. Johnson FE, Virgo KS, Ornstein DK, Chan D, Johnson ET, and Colberg JW: How tumor stage affects urologists' surveillance strategies after prostatectomy for prostate cancer. *Proceedings of ASCO*, 18:342a, 1999.
14. Johnson FE, Virgo KS, Ornstein DK, Johnson ET, Chan D, and Colberg JW: Patient surveillance after radical prostatectomy. *Proceedings of ASCO*, 19:1325, 2000.
15. Colberg JW, Powell T, Thompsen J, Virgo KS, Johnson ET, Chan D, Ornstein DK, and Johnson FE: Geographic variation in patient surveillance after radical prostatectomy. *Proceedings of ASCO*, 19, 1399, 2000.
16. Peschel RE, Han S, and Colberg J: Ultrasound guided transperineal implant (IMP) versus radical prostatectomy (RP) for early prostate cancer. *I J of Radiation Oncology*, 51(3): 292, 2001.
17. Hausladen DA, Wheeler MA, Colberg JW, Altieri DC, and Weiss RM: Urinary survivin testing to monitor bladder cancer burden in patients receiving intravesical chemotherapy. Annual Meeting of the American Meeting Urological Association, Orlando, Florida, *Journal of Urology*, 167(4) supplement: 162, 2002.

#### V. Presentations

1. Colberg JW and Catalona WJ: Incidence of prostate cancer in men with PSA levels of 2.9-4.0 ng/ml. Annual Meeting of the American Urological Association, Toronto, Canada, 1991.
2. Colberg JW, Bullock AD, Smith DS, and Catalona WJ: Prostate cancer screening results in African and white men. Annual Meeting of the American Urological Association, San Antonio, TX, 1993.
3. Dierks SM and Colberg JW: An analysis of men with cancer of the prostate less than 50 years old. Annual Meeting of the American Urological Association, San Antonio, TX, 1993.
4. Colberg JW, Richard WD, and Trobaugh JW: Stereotactic prostatic image alignment: A new technique. South Central American Urological Association, Vancouver, BC, Canada. 1994.
5. Colberg JW, Andriole GL Jr., and Catalona WJ: Long-term follow-up of men undergoing modified inguinal lymphadenectomy for carcinoma of the penis. Annual Meeting of the American Urological Association, Orlando, FL, 1996.
6. Colberg JW, Goodnough LT, and Monk TG: Safety and cost effectiveness of acute normovolemic hemodilution during radical prostatectomy. South Central American Urological Association, Vail, CO, 1996.
7. Catalona WJ, Colberg JW, Smith DS, Ornstein DK, and Shayka JJ: Measurement of percent-free PSA improves specifically for lower PSA cutoffs in prostate cancer screening. Annual Meeting of the American Urological Association, Orlando, FL, 1996.
8. Colberg JW, Ornstein DK, Virgo KS, Johnson ET, Chan D, and Johnson FE: Current follow-up strategies after radical prostatectomy. Annual Meeting of the American Association for Cancer Education, Portland, OR, 1998.
9. Ornstein DK, Colberg JW, Virgo KS, Johnson ET, Chan D, and Johnson FE: Evaluation and management of men failing radical prostatectomy. Annual Meeting of the American Association for Cancer Education, Portland, OR, 1998.
10. Hausladen DA, Smith SD, Wheeler MA, Colberg JW, Altieri DC, and Weiss RM: Urinary survivin testing to monitor bladder cancer burden in patients receiving intravesical chemotherapy. New England Section American Urological Association, Newport, RI, 2001.

11. Hausladen DA, Wheeler MA, Colberg JW, Altieri DC, and Weiss RM: Urinary survivin testing to monitor bladder cancer burden in patients receiving intravesical chemotherapy. Annual Meeting of the American Urological Association, Orlando, Florida, 2002.
